

# THE ORDER BOARD

OFFICIAL PUBLICATION OF THE CAJON DIVISION, PCR/NMRA

VOLUME 10 NUMBER 2

WINTER 1982

## Cajon Commentary *Tom Becker*

Once again, the Cajon Division will be holding its very popular Annual Banquet at the Saddleback Inn, in Santa Ana, on Saturday the 20th of February. This years event promises to be very entertaining and will be an opportunity to see old friends who it seems we only get to see at Division functions.

This year, besides the car building contest being put on by our contest chairman vis Prior, and discussed elsewhere in this issue of the Orderboard, we will have a favorite model contest. Bring any of the railroad related models you've built and want to show. All banquet attendees will vote for their favorite model, and the winner will have his or her dinner paid for by the Cajon Division. - Free dinner for someone and a lot of fun for the rest of us who attend.

A multi-image slide show of Cajon Pass railroading is being put together for a premiere showing at the banquet.(The producer is shy so no names will be mentioned.)

Door prizes this year will be gift certificates purchased by the Division from supporting hobby shops. Maybe they'll kick some in too.

A famous Saddleback Inn top sirloin steak dinner is on the evenings menu, and includes salad and dessert. The social hour/attitude adjustment hour begins at 6:30PM with dinner at 8PM. Dinner is \$14.00 per person. Banquet tickets may be ordered by filling out the order form, enclosing it with a check and a SSAE, and mailing them to Ralph Dubois at the :

Date St. Depot  
3380 E. Date St.  
Brea, CA 92621

A small number of tickets will be available at the door the night of the banquet, but don't take the risk of not getting in. send your registration in TODAY !

---

## On The Cover

The Sandy River & Rangely Lakes inspired our cover from Andy Rea.

Brea , CA 92621

(Enclose an SSAE if you wish confirmation of your reservation.)

# "GONDOLAS GALORE"

VIC PRIOR

The Gondolas Galore contest is in full swing ! For you out there who have not started your gondola, there is still time. The contest will be judged at the banquet on February 20th. If you are not going to be able to make it to the banquet be sure to send your entry with a friend. You do not have to be present to win.

We will be looking for originality, completeness of detail, and innovative ideas in your entry. All entrants will be winners, because there is only one way to obtain the satisfaction of scratchbuilding and that is to scratchbuild. You have to attempt it to realize your true scratchbuilding potential. This car takes so little time to build. So, if you haven't started --- send an SSAE, large if you please, to Vic Prior, 915 Redbud, Brea, CA 92621, for the bill of materials and the directions. You will be glad you did.

Bring or send your entry to the Cajon Division banquet in Feb. DO NOT MAIL CARS !! They must be brought to the banquet. The Cajon Division will not be responsible for mailed entries and have no way to return them. Entries will be accepted until 7:30 PM on Feb. 20th. This will be the last note in the ORDER BOARD concerning this contest except to advise you of the winner. See you if February !

--- AND ---

Don't forget the Favorite Model Contest at the banquet !

Everyone has a favorite model. Stop and consider your collection for a moment. You say you never thought about your favorite model being of any interest to anyone else ? Why not ? Why is it your favorite model ? Must be something about it that is different from the others you have or have seen. Chances are that if you like it above the rest of your stuff then someone else will like it too.

So, bring it to the "Favorite Model Contest" at the banquet, and let all who attend enjoy it for the evening. There will be nice prizes for the top three voted the favorites by popular vote. All attending the banquet may cast a ballot for their favorite first, second and third places.

The entry must be model railroad oriented in any scale. It may be a single model or a diorama. It does not have to be scratch or kit built.

If you have never thought about, stop right now --- what in your collection do you prize the most ? THAT'S IT ! --- That is what we want to see on Feb 20th at the Cajon Division banquet "Favorite Model" contest. Come on now, drag yourself out of that easy chair and get it spruced up and ready to go RIGHT NOW ! OK ? Check in with me when you arrive with your model at the banquet, so we can get it identified.

---
