

THE ORDER BOARD

July 2000

Vol. X Special

SPECIAL EDITION

FROM THE TOP

This Special Edition of the Order Board is to get you caught up on all the things we're doing in the Division. A thank you to Jan Wescott who helped me put it together.

Your Convention Committee has been busy planning our convention in 2001. A convention that will "KNOCK YOUR SOCKS OFF"! Our meetings have been productive with a lot of serious attention to needed detail but "fun" too, with great munchies and even did a barbecue for the committee members.

In the following pages you will see a list of things we are selling as a fundraiser to get our convention off and running. The tee shirts are very nice and we even have Cajon name badges with our logo in 6 colors.

We are also having a Swap Meet in October as a fundraiser. So clean the unwanted stuff out and sign up for a table! It will be nice to see you and a big help to us. Financing a convention in today's world is costly, but with your help we will be able to put on a great event for all to enjoy.

In spite of the lateness of the last issue of the Order Board in publicizing our Barstow meet, it was a big success due to the efforts of Ron and Dee Tucker who did a wonderful job. More on the Barstow Meet - see inside pages.

HELP! We need an editor! Though he tried, Steve Binyon could not close the mileage gap and has requested we try to find an editor "closer to home". He will be missed and I thank him for all his hard work.

Reminding you our next meet is August 26th in Anaheim (details in inside pages)

Looking forward to seeing you there.....Ed

Contest AP Report - July 2000

Robert Wescott
Rwesc92415@aol.com

I'm baaack...with more contest/AP tidbits. Is everyone getting their models ready? We have a meet coming up...Anaheim in August.

I've been reading all the required elements for all the categories within the Achievement Program. Whew! At first glance, it does seem lengthy and intimidating. In a sense, it's meant to be that way to demonstrate a superior level of skill in the various aspects of the category.

The standards of the Achievement Program are high, and they should be if the recognition is to have any meaning. So don't be intimidated, accept the challenge, you won't know how good you are until you've entered a contest or two.

Do you know how many categories there are in the AP?
If you said 12, you are correct!

Namely, they are: Motive Power, Cars, Structures, Scenery, MR Engineer-Civil, MR Engineer-Electrical, Prototype Modeler, Chief Dispatcher, Association Official, Association Volunteer, MR Author and finally Master Model Railroader.

I will use future issues to go over these categories and break down all the necessary qualifications for each category. By the way how am I doing towards working on my MR Author award....??

Why not start by earning points toward your Association Volunteer AP award by volunteering your time. Get in touch with me if you would like to know more about this award. I'll even send you a form to complete.

Until next time...keep working on those models!

BARSTOW MEET A SUCCESS! RON AND DEE TUCKER GOES ALL OUT !

Wow! This is a terrific meet....When are we coming back to Barstow...Gee, I really had a good time! Comments like these were circling among the attendees at the recent Barstow Meet arranged by Ron and Dee Tucker. For those who could not attend, you missed a good one! What a wonderful job and we thank you!

Ron arranged for a "free" empty store site in the mall. Great for our budget! Then, a little camaraderie over coffee with Dee's freshly baked cookies and doughnuts and our meet began. By the way Dee donated all proceeds from this to our Division fund.

An array of clinics were held including one from the BNSF on Operation Lifesaver, Rich Fritz on N-Trak module railroading, Charles Nauman on Railfanning 101 and a demonstration by Lou Houlemarde, from the Central Locomotive Works, on "O" scale engine kits.

A special treat was in store for all attendees when one of the local store owners, Norman Orfall, wandered in and offered everyone a special tour of his privately owned Canadian Pacific business car, the "Tioga Pass". This is one of a series of 12 similar business cars rebuilt from coaches.

There was an added bonus as he also had the keys to a "stored" FP45 that is sitting at the Harvey House. Oh what fun, as we crawled through the engine compartment of that machine!

A brief business meeting was held: the Cajon name badges were voted approved and the price of admission to our meets was voted to be raised to \$5.00.

IT WAS A FUN DAY....THANKS AGAIN, RON AND DEE!

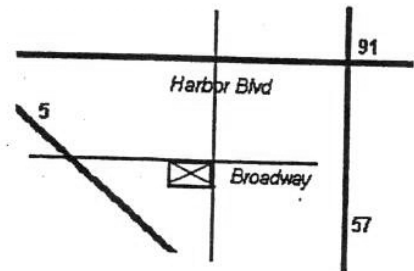

ATTENTION: ALL CAJON DIVISION MEMBERS

Steve Connolly, Asst. Superintendent (Cajon Division - California)

The Cajon Division will be hosting the 2001 PSR Regional convention in the "fun-est" city in the world...Las Vegas!

Conventions are fun ways to promote model railroading and a special time for all NMRB members. Renew acquaintances, meet new friends and do fun model railroading activities.

Your Convention Committee, are already hard at work planning a host of activities. Our work has only just begun!

You will be updated on the convention through future Order Board issues.

**MARK YOUR CALENDARS!
A GREAT CONVENTION IS BEING PLANNED
YOU WON'T WANT TO MISS THIS ONE
SEPTEMBER 12 - 16, 2001**

A SPECIAL INVITATION to anyone who wants to get involved. . . . You are most welcome to lend a hand and volunteer.

How?? Doing what?? **YOU CAN:**

- **Share your modeling tricks, give a clinic!
- **Help while at the convention for 2-3 hours!
--registration contest room, company store, etc.
- **Be a judge or learn to be a judge
- **Be an anything/everything person

ONE THING IS CERTAIN, WE NEED YOU!
