CAJON COMMENTARY

BANQUET '82

The annual Banquet was held on February 20th at the Saddleback Inn in Santa Ana with some 40 folks in attendance. The "Gondolas Galore" contest was won by Chuck Gardner for his very nicely built car. Chuck was awarded Gift Certificates worth \$30 at local Hobby Shops. The favorite model contest was won by Ray Sadler for his kitbashed two-level station. Ray received a free banquet dinner for his modelling efforts.

Possibly the best ever entertainment at a banquet was provided by Howard Frazier of the Rusty Rails, who put together a six projector multi-image slide show entitled Cajon: Portrait of a Pass. Just great Howard! - We hope for more of the same in the future.

ANNUAL DOOR PRIZE.

Announced at the Banquet was a Cajon Division Annual Door Prize to be awarded at the 1983 banquet.

Carl Nelson of Mini Trains in Costa Mesa has donated a D & RGW HON3 K-27 for the prize. Chances are being given out at each Cajon Div. function between now and February 1983. So far attendees at the '82 Banquet, the Auction, and the Spring Picnic at Hunter Park have received one chance for each event. So come on out to the division meets. The more you attend, the better your chances of winning.

AUCTION.

A report on the auction is filed elsewhere in this issue by Mark Carnighan.

LIVE STEAMERS PICNIC.

The Spring meet was held at the Hunter Park headquarters of the Riverside Live Steamers. A small but enthusiastic crowd was treated to free rides on the trains, door prizes and the usual swappers were there. Our thanks to the RLS for their gracious hospitality.

Auction '82

by Mark Carnighan

The Cajon Division held its annual auction on April 3rd at the Glendale Federal Savings building in Fullerton. 58 bids were received from the 74 persons in attendance on the 14 lots of merchandise offered in both the open and silent auctions.

Sales totalled \$1204.70 bringing commission of \$120.47 to the division. An additional \$74 was collected for admissions. The sale of soda and coffee covered their cost as well as the cost of publicity.

There were many fine items offered with some good buys. In spite of this the bidding was light and many items passed with no openers. Despite the lack of action the auction was well run with a minimum of confusion due to the fine work of the division members who organized and carried out this affair.

Photo Day

Saturday August 14, 1982, brings a new type of Division activity to Southern California - a Photo Day. Our day will begin at 7:30 AM and run until 3:30 PM. Clinics will be presented by John Buffalo on "Railfanning Cajon Pass" and by Vic Prior on "Model Railroad Photography."

John's clinics will include a history of the Cajon Pass and a driving tour of the pass showing phot locations. In most cases all areas of the pass are accessible by auto, but those of you that have them may want to bring your four wheel drive vehicles. We will carpool/caravan through the pass. This clinic will be presented twice. In the morning and once again after lunch.

PHOTO DAY (Continued)

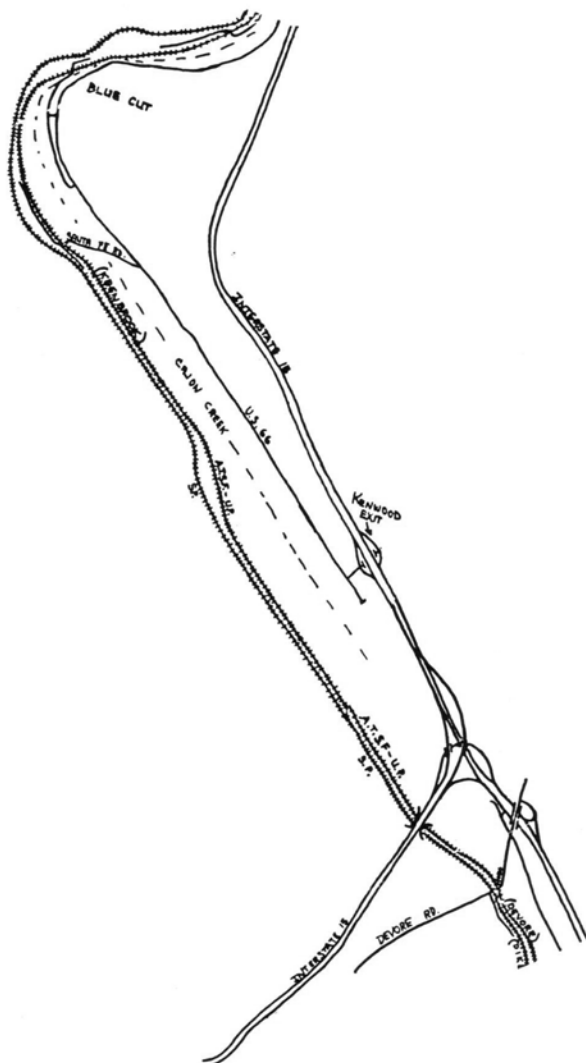

Vic promises a clinic that will make us pro's at model photography so that all of us can get our pictures into the hobby press. Vics clinic will also be presented twice.

Cold drinks will be available. Bring your lunch and plan to spend the day. There should be water in Cajon Creek and you may want to cool off in the "ole swimmin' hole". Bring plenty of film !

The Photo Day will be the kick-off for our "Second Cajon Division Photo Contest". The winner will receive \$25. Rules and dates will be presented at the photo day or may be obtained by sending a SSAE to Supt. Tom Becker.

To get to the Photo Day take Interstate 15 or 15E from San Bernardino toward Barstow. Take the Kenwood offramp and go left to U.S.66 and go right to Blue Cut. (Follow the signs !) Those of you coming from the Barstow side take I-15 toward San Bernardino. Get off at the Cleghorn offramp. Go right to U.S.66 and left to Blue Cut.

See you there !

San Diego via AMTRAK

The L.A. Division has extended an invitation to Cajon Division members to join them on what looks like a fun trip to San Diego via Amtrak. The dates are October 9th and 10th and either a one day or two day outing is available. Departure from Fullerton station is at 8:35AM and arrival in San Diego is at 10:45AM. Return trips can be aboard the 3:00PM train arriving Fullerton at 5:05PM or the 7:40PM train arriving Fullerton at 9:35PM on October 9. For those spending the night in San Diego train returns on October 10 at 6:10PM arriving Fullerton at 8:10PM.
