Prototype Railroad Tours

- Orange Empire Railway Museum and Layout Tour + "Run One" Engineer Experience. Perris, CA. Join us on the bus for a guided tour of the OERM museum and grounds including an exclusive tour to the seldom seen Barn #7 and Ward Kimballs Grizzly Flats Railroad. On the schedule is an exclusive NMRA train ride, a "Red car" trolley ride and a visit to Bob Mitchell's new 23' x 35' layout. \$60

-Want to run a full scale diesel locomotive?* Add \$20

- UP West Colton Yard and Maintenance Facility. Colton, CA.

A relaxing bus ride will shuttle us between the Colton Hump Yard control tower where we will have the yard operation explained (and likely see cars being sorted from a bird's eye view) and the UP's Maintenance Facility to see engine and car maintenance and repair operations. \$30

*These tours are limited to 47 persons each (only 10 of the OERM tour participants will be able to sign up for the Engineer Run One experience) so register your tours early to insure your place on the tours.

And Much More!

From the Chairman~

It is not too early to start thinking about 2017 and the PSR Convention "Ontario Manifest". The 2017 Convention Committee is hard at work planning a spectacular convention just for you; don't let them down by not attending. The convention will start Wednesday night with a catered welcome reception at the San Bernardino Railroad Station Museum. Of course there will be clinics, prototype tours, layout tours, Op's sessions, a contest room, hobo auction, swap meet, and the awards banquet. This will be a convention you do not want to miss. Per Harwe

Model Railroad Clinics

A complete schedule of Model Railroad and Prototype subject material clinics will be presented at this year's Convention. Many of the clinics will be presented for the first time and feature subject material covering the latest in Model Railroading.

Partial Clinic List:

- Modeling with the Masters, Clark Kooning
- Cajon at War - #2, Stuart Forsyth
- Cajon at War - 7 Days, Stuart Forsyth
- Layout Photography, Robert Feuerstein
- Weathering with Pan Pastels, Pete Steinmetz
- Detailing highway trucks for your Layout, Jerry Allen
- DIY 3D printing for model RRs, Dana Zimmerli
- Track Frog Juicers, Gary Butts
- Battery Power and Radio Control, Pete Steinmetz
- Weathering with an airbrush, Dave Arendes
- Photo Editing Programs, Robert Feuerstein
- Operations, Dennis Ivison
- My Experience with Arduino, Jim Fuhrman
- The Pacific Electric, Norm Suydam
- Layout Command Control (LCC), Dana Zimmerli

Introduction to the Model Railroading Hobby

If you are interested in trains, have some spare time and are looking for an interesting and challenging hobby that enhances skills in a multitude of interesting specialties while providing the opportunity to meet and learn from other model railroad enthusiasts, consider attending this program presented as part of the 2017 National Model Railroad Association's Pacific Southwest Region Model Railroad Convention. This four part hands-on series will be presented on Saturday morning, September 16, and will be followed by an afternoon visit to the operating Corona Model Railroad Club layout. Program Graduates will be eligible for a complimentary 6 month NMRA membership.

Program Topics:

- *Introduction to Model Railroading
- *Selecting the right Model Train(s)
- *Your first Model Train Layout
- *Resources: Knowledge, Skills, Groups

Swap Meet

Saturday

- Tons of Model Railroad stuff for sale at good prices!
- Plenty of space available
- The TimeSaver Switching layout will be available to test that new locomotive before you buy.

Swap Meet Schedule:

- 7-8 am: Table Set up
- 8-9 am: Exclusive Convention attendees access
- 9 am - Noon: Open to public

Layout Tours

Select local private (and some public) layouts will be open for self-driven visits during the mid-afternoon clinic break each day.

Sample Layouts on Tour:

R & F Railroad, HO & G, Roger Clarkson

Wildomer N.N. Railroad, HO, Bob Mitchell

Denver & Rio Grande Far West Railroad, HO/N3
& Two Bridges Railroad, G, (Garden) Carl Heimberger

Santa Fe & Pacific Electric, HO, Corona Model RR Society

The Great WD Railroad, HO, Wayne Knight

The Green River Junction Club
Modular Layout will be running
in the Hotel Lobby daily for viewing

A-B-B Set, W/DCC & Sound

Contest / AP Evaluation

Contest Room open during most Clinic hours

Bring your models to enter them into the popular vote contest or to have them evaluated for Achievement Program awards or just to show other members what you have been working on. Locomotives, Cars, Structures, Photos, Arts and Crafts and any other railroading you can think of are welcome. Check the Convention Clinic schedule to attend a clinic explaining the NMRA Achievement Program and to get help with AP model submission paperwork.

Railettes

- Make beaded Keychains
- Make Christmas Tree Ornaments
- Canvas Art (\$6)
- Bow Tie Angel Pins
- Bingo for gifts (men & women)
- Lunch at the Mission Inn (Friday, \$20) *Car pool

Modeling with the Masters

by Clark Kooning, MMR. This special program, a rare opportunity not usually available outside of national conventions will be presented in four multi-hour make-and-take sessions where you will actually be able to build a model for your layout.

*Introduction to Laser Kits Clark will take you thru the steps of building a Laser Kit for the first time. The project will involve a bunkhouse that could also serve as a storage shed on your model railway. You should be able to complete this. 5 hours, Tools Required, N/HO/S/O: \$30

*Introduction to DPM Buildings Clark will take you thru the steps of building a DPM building (Design Preservations Model) model. At the end of this clinic you will have a complete DPM model to take home. 5 hours, Tools Required N/HO: \$35

*Introduction to Scratchbuilding in Styrene Clark will take you thru the steps of building a model from scratch in styrene. At the end of this clinic you will have a small office or business building to take home. 5 hours -Tools Required, N/HO/O: \$40

*Introduction to Weathering with Mixable oil paints Clark will take you thru the steps of weathering a model with mixable oils and other simple techniques. 3.5 hours, -Tools Required, \$25

Awards Banquet, Guest Speaker

Grand Ballroom 1-2

- Guest Speaker
- Convention Banquet
- Awards Presentation
- Members of the Year
- Appreciation Awards

Trevor Marshall
Guest Speaker

Trevor Marshall of the "Model Railway Radio Show" will speak on how we can connect with a cohort who has never known a world without the internet

Hobo* Breakfast

Radisson Hotel's Pacific Grille
Saturday Morning

*Hobos must have attended at least one NMRA Regional Convention outside of their home Region
